## Welcome to Las Vegas!

ToyFest West celebrates it's return to Las Vegas with our 2022 show. It is wonderful to have you here to experience the United States premiere of thousands of new 2022 products firsthand at our 60th Anniversary year!

We are thrilled to welcome you to a brand-new venue for our 2022 show. We have moved over to The Expo at World Market Center Las Vegas (WMCLV). This is the beautiful, state-of-the-art home to the fabulous Las Vegas Gift Market. The ToyFest West Expo floor is supported by numerous permanent showrooms located in building "C".

Once again, exclusive ToyFest West events offer opportunities for learning and fun beginning on Wednesday morning, opening day with the Morning Masterpieces Kit Session. After a full day of trade show exhibits, please join us for a festive evening as we honor our newest members induction to the Hall of Fame and Retailer of the Year at the hosted ToyFest West Gala. Tuesday the fun continues with an industry based educational seminar and the day ends with our legendary Game Night!

To help celebrate our 60th Anniversary, we are expanding our famous daily CASH RAFFLES! For each order you write with your grateful sales representatives and manufacturers at the show, you will receive a raffle ticket which qualifies you for a chance to win a part of the \$950 daily cash prizes and product giveaways.

WTHRA is committed to following all Covid protection requirements as are in effect during the event by Clark County and the state of Nevada. Currently, masks are required for all show participants prior to entering any indoor facility. Hand sanitizer is available at registration, and disposable masks are available from the World Market Center.

Welcome to Toy Fest West!

Lawrence Nissen, *WTHRA President*

# PBN'J GAMES

## Play. All. Day.

We are a family of game makers, dreamers, and doers destined to deliver fun-filled games for all ages.

Our games vary from the new and unique, to the revamped, beloved oldies. PBN'J Games began with a grandpa who loved card games and would snatch us every second he could for a round of Old Maid or War. Generations later, we're sharing our games with our little ones. We've created card games that not only adults enjoy, but are enjoyed by the youngest members as well. We're saving a place for you at our game table!
